

lease
a bike

Great minds lease a bike

Thanks to our digital platform, everything runs smoothly: no paperwork involved

Free of charge for your employer, fiscally attractive for you

Unlimited choice of brands and type of bike

Biking is beneficial for your health and your wallet. Get on your dream bike and save up to 40% compared to a purchase. Thanks to Lease a Bike, your employer offers this free of charge and entirely online!

What are the benefits?

- Includes service, maintenance and insurance
- Combine your lease bike with a lease car or a public transport pass
- Pick your dream bike at one of our 500 bike dealers
- Attractive purchase option after 36 months for approx. 15% of list price
- Contribute to a greener world
- You beat the traffic and get fit!

How does it work?

Sign up via the link provided by your employer.

Once your employer has approved your request, you receive an order code.

Take your order code to one of our 500+ bike dealers. You can find them on our dealer locator online.

Pick your bike, accessories and service package.

Accept the lease conditions online and cycle off on your new bike immediately.
